

CONTENTS

<i>Askarova A.S., Bolegenova S.A., Safarik P., Maximov V.Yu., Nugymanova A.O., Bolegenova S.A.</i> 3D modeling of heat transfer processes in the combustion chamber boiler of thermal power plants.....	5
<i>Assanova A.T., Bakirova E.A., Kadirbayeva Zh.M.</i> Numerically approximate method for solving of a control problem for integro-differential equations of parabolic type.....	14
<i>Boshkayev K., Zhumakhanova G., Mutalipova K., Muccino M.</i> Investigation of different dark matter profiles.....	25
<i>Safarik P., Askarova A.S., Bolegenova S.A., Maximov V.Yu., Bolegenova S.A., Nugymanova A.O.</i> Optimization of the solid fuel combustion process in combustion chambers in order to reduce harmful emissions	34
<i>Baktybaev K., Dalelkhankyzy A., Baktybaev M.K., Koilyk N.O.</i> Fermion theory of collective states of nuclei, its application to the structure of real systems.....	43
<i>Shaldanbayev A.Sh., Shaldanbayeva A.A., Beisebayeva A.Zh., Shaldanbay B.A.</i> Inverse problem of Sturm-Liouville operator with non-separated boundary value conditions and symmetric potential.....	52
<i>Sartabanov Zh.A., Omarova B.Zh., Kerimbekov A.</i> Research of multiperiodic solutions of perturbed linear autonomous systems with differentiation operator on the vector field.....	63
<i>Zhami B.A., Boshkayev K., Quevedo H., Kalymova Zh.A.</i> On some effects in the structure of white dwarfs.....	80
<i>Shaldanbayev A.Sh., Ivanova M.B., Urmatova A.N., Shaldanbayeva A.A.</i> Spectral decomposition of a first order functional differential operator.....	90
<i>Sartabanov Zh.A., Aitenova G.M.</i> Multiperiodic solutions of linear systems integro-differential equations with D_c -operator and ε -period of hereditary.....	106
<i>Zamanova S.K., Muradov A.D.</i> On the application of quadrature formulas for calculating integrals of arbitrary multiplicity.....	123
<i>Myrzakul S.R., Yerzhanov K., Kenzhalin D. Zh., Myrzakulov K.R.</i> Teleparallel dark energy model with fermionic field for Bianchi type I spacetime.....	130
<i>Zhassybayeva M.B., Yesmakhanova K.R.</i> Soliton solutions for the (2+1)-dimensional integrable Fokas-Lenells equation..	138
<i>Baizhanov B.S., Baizhanov S.S.</i> Some questions on external definability.....	146
