

CONTENTS

<i>Nurakhmetova Zh.A., Kurbashev E. P., Selenova B.S., Borke T., Aseyev V.O., Kudaibergenov S.E.</i> Synthesis and characterization of carboxymethylated cornstarch.....	6
<i>Turebekova G.Z., Shapalov Sh.K., Alpamysova G.B., Issayev G.I., Bitemirova A., Lyubchik S., Yergubekova Zh.S., Pusurmanova G.Zh.</i> Recycling of wastes of petroleum refining industry by using them in the manufacture of tire rubbers.....	16
<i>Kapralova V.I., Kubekova Sh.N., Ibraimova G.T., Kussainova M.Zh., Raimbekova A.S., Sharipov K.</i> Research of the possibility of the using of wastes enrichment of gold-containing ores in the process of receiving silicophosphate fertilizers by mechanochemical activation.....	21
<i>Kalimanova D.Zh., Kalimukasheva A.D., Kubasheva J.A., Nazhetova A.A.</i> Features of hydrochemical and geochemical indicators of the north-eastern part of the Caspian sea (zones, oil and gas fields of the Kazakhstan sector).....	27
<i>Utegenova L.A., Nurlybekova A.K., Duysebaeva M.A., Jenis J.</i> Chemical constituents of the roots of <i>Fritillaria pallidiflora</i>	32
<i>Aikozova L.D., Tukibayeva A.S., Bayeshov A., Leska B., Baiysbay O.P.</i> Studying the process of obtaining phosphates of metals based on the phase equilibria of four component systems.....	39
<i>Zakarina N.A., Kornaukhova N.A., Toktassyn R.</i> Pt- and Pd-catalysts on modified kaolinites in the reaction of N-hexane isomerization.....	47
<i>Talgatov E.T., Auyezkhanova A.S., Zharmagambetova A.K., Kapysheva U.N., Bakhtiyarova Sh.K., Zhaksymov B.I.</i> Synthesis and bioprotective properties of hybrid montmorillonite-polysaccharide composites.....	57
<i>Nurkenov O.A., Seilkhanov T.M., Fazylov S.D., Issayeva A.Zh., Seilkhanov O.T., Zhaksybayeva G.Sh.</i> Obtaining and research of the supramolecular complexes of alkaloid salsoline with cyclodextrins by NMR spectroscopy.....	64
