

CONTENTS

<i>Talashbayeva N., Kazhdenbek B., Zhang X., Kaumenova G.N., Xanthopoulou G., Tungatarova S.A., Baizhumanova T.S.</i> Catalytic conversion of methane into syngas and ethylene.....	6
<i>Nurlybekova A.K., Yang Ye., Dyusebaeva Moldyr A., Jenis J.</i> Chemical constituents of <i>Ligularia Narynensis</i>	13
<i>Tastemirova U.U., Alibekov R.S., Ciprovica I., Shingisov A.U., Mukhtarkhanova R.B., Mailybaeva E.U.</i> The optimal freezing temperature of cow milk and camel milk	19
<i>Bayeshov A., Abduvaliyeva U.A., Bayeshova A.K., Zhubanys M.</i> Cathode restoration of selenium anions with the formation of its powders.....	25
<i>Kairbekov Zh.K., Maloletnev A.S., Jeldybayeva I.M., Abilmazhinova D.Z.</i> Data on antioxidant activity of humic substances of low-mineralized sludge sulphide mud (peloids) and their classification (Review).....	32
<i>Massalimova B.K., Altynbekova D.T., Jetpisbayeva G.D., Nauruzkulova S.M., Bakytzhan E.E., Sapi A.K., Sadykov V.A.</i> Liquefied petroleum gas as raw materials for the production of liquid oxygen-containing organic compounds.....	38
<i>Titova N.G., Shamilova S.T., Zhabayeva A.N., Adekenov S.M.</i> Terpenoids of <i>Matricaria Chamomilla</i> L. from different places of growth.....	44
<i>Toktassyn R., Myrzahanov M., Markayev E.</i> Propane-propylene oligomerization over modified pillared clay catalysts.....	49
<i>Tuktin B. T., Tenizbaeva A. S., Samshat N. A., Abilmagzhanov A. Z., Shapovalov A. A.</i> Hydroprocessing of dizel oil fractions on modified alumina catalysts.....	56
<i>Kudaybergenov K., Nyssanbayeva G., Ongarbayev Ye., Mansurov Z., Di Capua R., Alfe M., Gargiulo V.</i> Sorption ability of modified nano-carbon materials.....	63
<i>Zhakupova G. N., Sagandyk A. T., Muldasheva A. H. Akisheva E. K., Tomasikova S. M.</i> The usage of vegetable raw materials in the production of cottage cheese products.....	71
<i>Nurdillayeva R.N., Bayeshov A.B., Sunatullayeva L.A., Zhylysbayeva G.N.</i> Dissolution behavior of brass polarized by alternating current in sodium phosphate aqueous solution.....	77
<i>Artur G.A., Mussin E., Kalauova A.S., Nazhetova A.A., Nasirov R.N.</i> Some regularities of the distribution of the content of free radicals and vanadium (IV) in oil by geological sections of the emba region deposits.....	84
